3	Enter the password	admin123	The password is accepted.	The password is accepted.	Pass	
4	Click on the login button		Login button works successfully.	Login button worked successfully.	Pass	

Test case id: TC-006 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: User logs out from the dashboard	Test case name: Logout Test date: 12/26/2025 Test Time: 5:44 pm					
Pre-conditions: The user must be logged in	Post conditions: User is logged out					
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Click profile		The dropdown should open	The dropdown opens	Pass	
2	Click Logout		The system should redirect to the login page	Redirects to the login page	Pass	

Test case id: TC-007 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: User logs out from another module				Test case name: Logout 2 Test date: 12/26/2025 Test Time: 5:50 pm		
Pre-conditions: The user must be logged in				Post conditions: User is logged out		
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Navigate to any module (example: Admin)		Module should load	Module loads	Pass	
2	Click profile		The dropdown should open	The dropdown opens	Pass	
3	Click Logout		The system should redirect to the login page	Redirects to the login page	Pass	

Test case id: TC-008 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: User clicks on the back button after logging out				Test case name: Back button after logout Test date: 12/26/2025 Test Time: 5:52 pm		
Pre-conditions: The user must be logged in, then logged out				Post conditions: Secure pages not accessible		
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Logout		The login page should be visible	Login page shows	Pass	
2	Click Browser back		User stays on the login page	Redirected to the dashboard	Fail	

Test case id: TC-009 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: Direct URL after logout				Test case name: Url after logout Test date: 12/26/2025 Test Time: 5:55 pm		
Pre-conditions: The user must be logged out				Post conditions: User remains logged out		
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Logout		The login page should be visible	Login page shows	Pass	
2	Paste the dashboard URL		User stays on the login page	User stayed on login page	Pass	

Test case id: TC-010 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: User logout opening multiple tabs				Test case name: multi tabs logout Test date: 12/26/2025 Test Time: 5:59 pm		
Pre-conditions: The user must be logged in from 2 tabs				Post conditions: Logout invalidates session everywhere		
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Open OrangeHRM in both tabs		Both logged in	Both logged in	Pass	
2	Logout in tab1		The login page should be visible	Login page shows	Pass	
3	Refresh tab 2		Tab 2 also redirects to login page	Tab 2 redirected to login page	Pass	

Test case id: TC-011 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: Verify the login error is generic (e.g., "Invalid credentials") and doesn't reveal whether the username or password is wrong.					Test case name: Login Error Message (No Info Leak) Test date: 12/26/2025 Test Time: 6:03 pm	
Pre-conditions: Login page open					Post conditions: No info leakage	
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Enter valid username + wrong password	Admin / wrong	Generic error shown	Generic error shown	Pass	
2	Enter wrong username + any password	WrongUser / any	Similar generic error shown	Similar generic error shown	Pass	

Test case id: TC-012 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: When a password is written, the password should be masked					Test case name: invisible password Test date: 12/26/2025 Test Time: 6:07 pm	
Pre-conditions: Login page open					Post conditions: Password is not visible	
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Click password field		Cursor active	Cursor active	Pass	
2	Type password	admin123	Characters appear masked	Characters appear masked	Pass	

Test case id: TC-013 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: When logging in, if the username is left empty, a required message should appear					Test case name: Clear validation message Test date: 12/26/2025 Test Time: 6:07 pm	
Pre-conditions: Login page open					Post conditions: Validation message is displayed and user is guided to fix input.	
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Leave username empty		Required message appears	The required message does not appear	Fail	
2	Type password	admin123	The required message appears for the username	The required message does not appear	Fail	

Test case id: TC-014 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: When logging in,if the user clicks on login rapidly the system should not crash					Test case name: Repeated click login Test date: 12/26/2025 Test Time: 6:16 pm	
Pre-conditions: Login page open					Post conditions: System does not break	
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Enter valid credentials	Admin/admin123	Ready to login	Ready to login	Pass	
2	Click login repeatedly and fastly		Logins successfully	Logins successfully without crash	Pass	

Test case id: TC-015 Software system: OrangeHRM Tester name: Savan Dyari Ahmed Short description: Using a slow network, the system still works as expected				Test case name: 3G login Test date: 12/26/2025 Test Time: 6:20 pm		
Pre-conditions: Login page open				Post conditions: UI feedback is clear		
Step s	Action	Test Data	Expected Response	Actual results	Test Result (Pass or Fail)	Comments
1	Use slow internet	Slow 3G	Request slows	Request slows	Pass	
2	Click login using valid credentials	Admin/admin123	Logins successfully but slowly	Logins successfully but slowly	Pass
